Background information for Catholics on Residential Schools

Following the discovery of unmarked graves at the sites of former Residential Schools, there has been and continues to be a national conversation on the tragic history of residential schools in Canada. The role of the Catholic Church in the residential school system is part of that discussion and many Catholics are asking questions, seeking more information, and advocating for justice, healing, and reconciliation.

The Archdiocese of Toronto has prepared some Background Information about Residential Schools in Canada and with gratitude extended to the Archdiocese, this resource has been tailored for Catholics in the Diocese of Peterborough.
