Fr. Michael's Reflection

Today is Palm Sunday which celebrates the triumphant entry of Jesus Christ into the city of Jerusalem. The church presents to us Christ who was obedient through humility and suffering. Obedience as a virtue involves offering up one's will to do the will of another. We see this virtue in the life of Christ who accepted the will of the Father and became obedient even unto death.

So, we are encouraged to have an unconditional obedience to God even when those who praise you at a point, start to fight you unjustly as in the case of Christ. But when we are on the right path, we have nothing to fear.

HAVE A FRUITFUL PALM SUNDAY AND HOLY WEEK.
